# WHEELING POLICE DEPARTMENT

**ROBERT G. MATHENY**  
CHIEF OF POLICE

January 14, 2011

Mr. Robert Herron  
City Manager  
City of Wheeling  
1500 Chapline Street  
Wheeling, WV 26003

Dear Mr. Herron:

## 2011-12 Budget Submission

Over the last year, the Wheeling Police Department has provided the highest level of service possible to the citizens of our City. Our crime rate has once again dropped below the national average, which enhances the safety, welfare, and quality of life for residents and visitors to Wheeling.

We continue to foster positive relationships between the Police and the citizens by maintaining a positive and professional image and through partnerships and programs such as the Citizens' Police Academy, Junior Police Academy, National Night Out, and continued involvement with the Neighborhood Watch groups. In addition, we responded to 25,045 calls for service to meet the needs of our community.

The Department has reorganized its structure by adding Deputy Chiefs to the Command Staff and additional supervisors to ensure the effectiveness and accountability of officers in the field.

The Department has received many grants that fund not only the salaries of 11 officers but also cutting-edge projects such as cameras, license plate readers, and computer-aided dispatch (CAD) upgrades. We have also received funding for community projects and overtime pay for officers to increase staffing at certain times and locations. This has resulted in a safer community and a large financial savings for the City.

I am very pleased to report that we finished 2010 without any serious line of duty injuries or deaths. In fact, assaults on officers in the City have decreased by 24% over the last 12 months. I feel confident in stating that 2010 was a very successful year for the Wheeling Police Department. I attribute this to the support of the City government, the City Administration, and the citizens of Wheeling, but mostly to the dedication and work ethic of both the sworn personnel and the civilian staff of the Department who demonstrate on a daily basis the true meaning of public service.

In FY 2011-12 I am requesting that we recognize the excellence of our employees with a 3% cost of living increase as reflected in my line item 2011-12 Budget Increase Explanation.

Mr. Robert Herron  
Page 2  
January 14, 2011

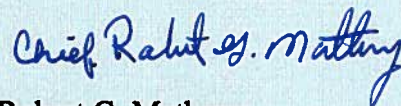

It is my understanding that the Department's budgeted personnel level is 76 sworn officers, complemented with 11 grant-funded officers that include one Highway Safety, one Drug Task Force, three PRO's, two CDBG, and four COPS grant positions. This would give us a staffing level of 87 officers. I would like to delete one officer from that number and create a civilian position of IT Specialist to address our in-house technology needs. This would enhance the operation of the Department. The remaining officers would adequately staff the other divisions and units of the Department.

It would add to each patrol shift if a Car #5 (Warwood) is required to be deployed on every shift, as well as the addition of an officer to the CAT Unit to be used as a Bailiff for Municipal Court as requested by both City Judges. This officer would also be detailed on a permanent basis to work security at City Council meetings. During down time, the officer will serve domestic violence protective orders and walk a foot beat or work Bike Patrol in the downtown area and the river front. The change in staffing would add an additional officer to the Drug Unit and put a K-9 team on each patrol shift. I believe this staffing level will advance the delivery of service of the Police Department. I have also included a request for safety items such as patrol rifles, boots, and ammunition. The current budget does not come close to covering the cost of the minimum amount of ammunition needed for our required annual State qualification. To meet this need and to replace duty ammunition and supply the SWAT Team with training ammunition would require an additional \$15,000 in this line item.

I have concerns about the Overtime line item. The item is currently over budget and seems to be underfunded. On January 1, 2011, I placed a "freeze" on overtime with the exception of emergency and grant-funded needs. One of the problems is that fairs, festivals, races, unexpected dignitary visits, etc., and other overtime details are funded from this line item. The fact that we are under staffed and have officers in training who are not currently certified for patrol work also creates a large draw on this fund. I would like to create a line item of \$35,000 just for Fairs & Festivals, races, etc. This will give us a better understanding of our overtime needs and allow us to manage overtime more effectively in the future.

I have enclosed our Goals and Objectives for 2011-12, the Line Item Budget Request Form, the Capital Outlay Schedule, the Program Justification Form, and other supporting documents. Please do not hesitate to contact me for any additional information or explanation.

Sincerely,

Robert G. Matheny  
Chief of Police

Enclosures

**WHEELING POLICE**  
**2011- 2012**  
**Goals & Objectives**

1. Improve the quality of life in our city by enhancing public safety, reduce fear, and maintain peace and order
  - Staff the Department at full level
  - Commit to a full-time police presence in Zone 5 (Warwood)
  - Evaluate staffing options
2. Reduce unnecessary overtime
  - Work with Municipal Court and Legal Department to relax court appearances
  - Eliminate flex time in the Patrol Division and bank days for Supervisors
  - Structure the use of non-emergency overtime to better the mission of the Department
3. Continue involvement in Community Outreach
  - Citizens' Police Academy
  - Junior Police Academy
  - Volunteers in Police Service (VIPS)
  - Prevention Resource Officer (PRO)
  - DARE (Drug Abuse Resistance Education)
  - Community Action Team (CAT)
    - \* Downtown and East Wheeling Foot Beat – Bike Patrol
    - \* Mountaineer Highway Interdiction Team
  - Safety Town
4. Develop plans for officer retention
  - Work with FOP
  - High employee morale
  - Department image
  - Employee benefits
  - Employee safety
  - Training
5. Continue to review and update all Department policies to prepare for the continued advancement of the Department
  - Staff meetings
  - Self-evaluations at all levels

## **WHEELING POLICE DEPARTMENT 2011-12 BUDGET INCREASE EXPLANATION**

### **Personnel/Wages (Various Line Items)**

All positions reflect a 3% pay increase.

### **Personnel**

- **Deputy Chiefs (4700 10 1221) – 2 @ \$46,523 each for a total of \$95,837**  
(includes 3% increase) – positions approved by Council in June 2010
- **Sergeants (4700 10 1510) – Addition of 8 Sergeant positions @ \$40,141 each for a total of \$330,761 (includes 3% increase)**
- **Civilian Intake Coordinator (4700 10 1328) - \$25,974 (includes 3%) less \$20,000 paid by Highway Safety**

### **Canine Compensation (4700 10 1534)**

Increase projected to show addition of another K-9 team

### **Medical [Hospitalization (4700 10 1921) & Eye/Dental/Life (4700 10 1920)]**

Figures reflect calculation based on information from HR

### **Overtime (4700 10 1903)**

A 3% increase in wages will reflect a 3% increase in overtime.

### **Ammo & Targets (4700 30 3102)**

This line item is under-funded if we are to meet basic requirements for qualifications. An additional \$15,000 is needed to meet minimum training standards as mandated by the State of West Virginia (total requested \$25,000).

### **Police Leases 2011-12 (4976 40 XXXX)**

Changes in the type of vehicle available on the market will require an increase of \$16,941 for additional equipment.

## **WHEELING POLICE DEPARTMENT 2011-12 BUDGET INCREASE EXPLANATION**

### **New Line Items**

#### **Fairs & Festivals**

Overtime for officers who work special events (fairs, festivals, dignitary visits, etc.) is currently paid from the Overtime line item. These payments equal approximately \$35,000 each year. It is difficult to manage the department's overtime because of ever-changing circumstances surrounding these events that place unforeseen burdens on the Overtime line item.

#### **New Hires**

Training and equipment for new officers costs about \$5000 each. This covers the \$1500 paid to the WV State Police Academy, training materials needed at the Academy, duty uniforms, and equipment to be used after graduation. We estimate that 6 new officers will be hired in the next fiscal year. There is no line item in the existing budget to cover these expenses projected at \$28,405.

#### **IT Specialist**

With modern technology, it becomes necessary to utilize computers both in the office and in the patrol car. We struggle daily with our mobile data terminals, our records management system, and our basic desktops. Last year we spent over \$10,000 on outside technical service and we still have many of the same issues. This is frustrating and disruptive to the officers and decreases productivity. We would like to eliminate one PO I from the budget (19 to 18) and replace that position with a civilian IT Specialist at a cost of \$34,781 (includes 3%).

**CITY OF WHEELING**  
**CAPITAL EQUIPMENT OUTLAY SCHEDULE**  
**FISCAL YEAR 2011-12**

**DEPARTMENT: POLICE**  
**DIVISION:**  
**FUND: GENERAL FUND**

Description	No. of Units	Unit Cost	Total Cost	Trade-in Value	Net Cost	Priority	Justification/Explanation
1	2	3	4	5	6	7	8
Annual Vehicle Replacement	6	Will bid	\$72,400		\$72,400	1	The proposed budget amount includes the annual payment for 6 police vehicles.
Patrol Rifles	5	\$2,000	\$10,000		\$10,000	2	The weapons will be mounted in front line patrol cars to provide fire power for both citizen and officer safety.
Bicycles	2	\$1,500	\$3,000		\$3,000	3	New bicycles will replace old units for better patrol coverage in areas such as the Heritage Trail, Wheeling Island, and Garden Park.
Total	13		\$85,400		\$85,400

## MEMORANDUM

**TO:** Chief Matheny

**FROM:** Deputy Chief Martin Kimball

**DATE:** January 7, 2011

**SUBJECT:** 2011-2012 Budget

During the previous year the patrol division of the Wheeling Police Department has again provided the citizens of Wheeling a safe environment in which to both live and work. The staffing of this division has increased and there are more younger aggressive officers working the streets of Wheeling. Crimes both minor and major were reacted to swiftly often solving cases before support units were needed.

**Goals & objectives:** To improve our performance in being pro-active, to further reduce criminal activity. We aim to also improve the efficiency and accountability of these officers. A greater presence of cruisers and officers in the neighborhoods is important. To improve the functioning of the equipment provided to the officers and to add new equipment available to them.

**Budget problems:** Overtime is a huge problem. The increase of court time has had a major impact. Providing service to the numerous fairs, festivals and races takes a big chunk of overtime funds.

**Budget requests:** Enough funding to maintain the staffing level of the patrol division. An increase in the line item for overtime. Add a line item covering the cost of us providing extra services to fairs, etc. Last year we spent almost \$32,000.00. Purchase of 7 patrol rifles for the front line officers. Purchase of two Segway personal transporters to enhance the mobility of officers working the waterfront and downtown areas during heavy pedestrian and vehicle traffic. An increase in both travel and training line items. Increase the line for directed patrols.

	<u>2010</u>	<u>2011</u>
Overtime	\$ 153,771	\$170,000
Fairs/Fests	\$ 0	\$ 35,000
Directed patrol	\$ 30,000	\$ 35,000
Travel	\$ 15,000	\$ 25,000
Training	\$ 25,500	\$ 35,000
Segway transporters		\$ 15,000
Patrol rifles 7 – (est. cost)		\$ 14,000
Bicycles 4 – (est. cost)		\$ 6,000

Overtime is the most important item that needs attention. With the number of hours to be compensated expected to remain the same or more, this increase is critical. By pulling out some of that demand and dedicating a line to fairs/fests we can more accurately predict actual overtime due to day to day operations.

An increase in directed patrol will help provide more manpower to dedicate to a specific criminal problem. An increase of \$5,000 will only provide approx. 23 more four hour shifts. That is less than two per month.

Training and the travel needed to get it are small numbers. Training is probably second biggest responsibility we have after public safety. Mandated and specialized courses are varied and expensive such as the 420 training.

New bicycles are needed badly. The old ones are over 10 years old and are shot.

The patrol rifles will provide immediate needed firepower in emergency situations while waiting for heavy equipment back up.

# *Wheeling Police Department*

1500 Chapline Street  
Wheeling, WV 26003

Office: (304) 234-3708  
FAX: (304) 234-3788

---

## **MEMORANDUM**

**TO: Chief Matheny**

**FROM: Deputy Chief VanKirk**

**DATE: January 10, 2011**

**SUBJECT: 2011 – 12 Budget Preparation**

**Accomplishments throughout the year:**

Processed 17 police candidates – currently only 9 remain employed on the department.

Travis Hocutt victim of involuntary manslaughter, awaiting disposition

Bank Robbery, unsolved

Aggravated Robbery, Ricardo Farrow awaiting sentencing

Deano's B&E, pending indictment

Attempted Murder of Jason Wade, still an open case

A malicious wounding of three people in south Wheeling, suspect found to be defending himself.

Several sexual assault cases, one detective assigned to the Internet Crimes Against Children Task Force.

Fraudulent use of an access device (felony) Joyce Bivens victim, Margaret Paige suspect- unable to locate-entered NCIC

**Budgetary requests:**

8- Blackberry (smart phone) devices for detectives (approx.\$200 each, total \$1,600)

8- Laptop computers for detectives (approx. \$1,000 each, total \$8,000)

1-stand alone printer for detective division when the main one goes down-\$200

Specialized training, SIRCHIE training-\$1,000 (for new detectives-at least one each year)  
additional training for detectives-\$3,000

More efficient internet service

**Budgetary Explanation:**

The computers in the detective division are outdated and slow. The type of work required by the detectives is made easier by having newer equipment. The computers now used by the detectives could be used in the patrol division. If the detectives had laptop computers, they could use them in the office and out in the field. Faster internet service would also speed up the detective's time spent looking up information.

The blackberry phones would assist the detectives in the field while saving them time going back to the office to look up information.

The stand alone printer would help the detectives when the one and only printer goes down. This has happened in the past several times, and the work load that is lost slows down progress for the entire division.

Training is of the utmost importance. SIRCHIE training is much needed for any new detective. Also specialized training for detectives is needed each year.

**Re: *Bailiff Position for Municipal Court***

Dear Chief Matheny:

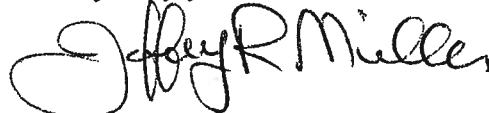

As you are aware, there have been discussions in recent days regarding the creation of a formal bailiff position for the Municipal Court of the City of Wheeling. Don Nickerson and I are both in agreement that the presence of a bailiff during all Municipal Court dockets and trials would be extremely beneficial.

We believe the presence of a bailiff would help to preserve order in the courtroom, enforce any rules or regulations imposed by Judge Nickerson or myself, and to respond to any other situations that may arise. Judge Nickerson and I further believe that the most likely candidate to fill such a position would be a City of Wheeling Police Officer.

Therefore, please accept this as our formal request that your department provide a bailiff for all Municipal Court dockets and trials presided over by either Judge Nickerson or myself.

I look forward to hearing back from you regarding this request at your earliest opportunity. Thank you for your courteous attention and consideration.

Very truly yours,

Jeffrey R. Miller, Judge  
City of Wheeling Municipal Court

## Assaults on Officers

There were 14 more assaults on officers in 2009 than 2008 which resulted in an increase of 127.27%.

However there were 6 less incidents involving assaults on officers in 2010 from 2009 which resulted in a 24% decrease.

## WHEELING POLICE DEPARTMENT

Sgt. Duwane Taylor  
1500 Chapline Street  
Wheeling, WV 26003

Tel. 304-234-3751  
Fax. 304-234-6425

### 2011 Vehicle Budget request:

Ford Motor Company will no longer be making Crown Victoria Police Inceptor that are rear wheel drive. There are only two rear wheel drive police package vehicle available. Chevrolet makes the Caprice. The Caprice has only recently been in production for one year and we are unsure how reliable the vehicle will perform as a law enforcement vehicle. The second available vehicle is the Dodge Charger which has been in production for over seven years with no major complaints from the laws enforcement community. I am recommending that our department purchase Charger for patrol Division. Our department will have to fit the Charger with new gear since the Crown Vic will not adapt.

Dodge Charger	\$24,00000
Setina 10-S with full lower kick plate and extension panel	\$ 400.00
